Temporary Fencing Fast

Taylor'd to your scale and requirements

Whether you're planning temporary fencing as part of a project far in advance or have last minute need, Taylor Fence Co can come through with the right solution.

CASE STUDY

Olgoonik Construction had an urgent need for temporary fencing. A need for fencing for a project on Peterson Air Force Base was holding up training and was about to hold up out-of-state contractors. A quick call to Taylor got the temporary fencing needed in short order and kept training and contracting right on schedule.

“Taylor Fence can handle any project from installing a fence to a sophisticated security project.”

| BRIAN JACKSON, PROGRAM MANAGER, OLGOONIK CONSTRUCTION

Taylor Fence Company has Taylor'd top projects since 1942. A reputation for superior design, construction, and maintenance has made Taylor one of the most in-demand sources of high-quality fences, gates, and security systems in Colorado.

“They have the capacity to really work on highly technical, complicated, sophisticated projects.”

| PATRICK SHOCKEY, PROJECT MANAGER,
DPR CONSTRUCTION

“With their excellent communication, working with Taylor is just so easy.”

| RICHARD FISCHER, TRIBAL 1
